

The adventure begins
Sunday, June 25th – Thursday, June 29th
6:10 – 9:00 p.m.

Come Discover the Invisible Wonders of God!

Discover the incredible mysteries of the final frontier - right from our backyard! Our telescope will become a portal through which you can encounter amazing and wonderful things designed by the Creator of the universe.

Join us at Galactic Starveyors for a week of searching the visible to discover the invisible. We will begin our search each day at the Worship Rally. From the Worship Rally, we will gather at the Starveyors Clubhouse and explore God's Word. Each day, we will encounter amazing and wonderful things designed by a Creator who is even bigger than the vastness of His creation, as well as make crafts, play fun games, enjoy tasty snacks, sing cool songs, and learn about missions.

Our Galactic adventure will culminate in an exciting and fun-filled 'Family Celebration' on Thursday, June 29th. Additional event information will be made available during the week of VBS.

Classes are available for God's children of all ages, from infants to adults. We welcome you and your entire family to join us - together we will explore and discover faith and life!
